

DISCLAIMERS

Disclaimer of Liability

Maintenance of this website is a gratuitous service provided to users of the Military Interstate Children's Compact Commission (MIC3). MIC3, its employees, and agents (i) assume no responsibility for anyone's use of the information; (ii) disclaim any and all responsibility or liability for either the information available in this website or for the availability and content of the external websites to which it links; and (iii) are not liable for any damages (regardless of type, reason, causation, or theory of liability) arising in any way out of the use of MIC3's site. The contents of the MIC3 website are advisory in nature and based on the best information known at the time. The contents of the MIC3 website are not intended to address specific circumstances of any user or any particular individual, organization, or state; are not asserted to be comprehensive, complete, accurate, or up to date; and do not represent binding legal determinations or any other manner of professional advice. If legal or other expert assistance is required, the services of a competent professional should be sought.

Disclaimer of Warranties and Accuracy of Data

Although the information, documents, software, products, services, and related graphics found on this site are believed to be reliable and may be useful to MIC3 users, MIC3 makes no warranty, expressed or implied, regarding the accuracy, adequacy, completeness, legality, reliability, or usefulness, either isolated or in the aggregate, of the information, documents, software, products, services, and related graphics. All information, documents, software, products, services, and related graphics are provided as is and all warranties of any kind, including merchantability, fitness for a particular purpose, freedom from contamination by computer viruses, and non-infringement of proprietary rights, are disclaimed. Users should exercise due diligence before applying these resources to their particular circumstances. Periodic changes may be made to the information and these changes may not be incorporated into MIC3's website. Users that have obtained information from any of the MIC3 web pages through a source other than the MIC3 website directly should be aware that electronic data may be altered by third parties after its original distribution. Any data on MIC3's website may quickly become out of date.

Disclaimer of Endorsement

MIC3 may provide a link to, refer to, or offer content supplied by a third party on MIC3's website. Any content, information, offer, service, statement, advice or opinion made available or expressed by a third party is solely that of the third party and does not necessarily reflect that of MIC3. The inclusion of these resources is not, and should not be construed as, an endorsement by MIC3. These resources have not been rated for quality and no assumption of quality should be made. Any reference to a specific commercial service, process or product by manufacturer, trademark, trade name, or otherwise does not constitute or imply the endorsement, recommendation or favoring of the service, process or product by MIC3. Third parties linked or referenced by MIC3's website are not the sole providers of the services, processes or products. Links or references to these third parties are not all inclusive of all third parties that may provide these services, processes or products.

Disclaimer for External Links

All addresses of, or links to, external websites contained on the MIC3 website are provided strictly for the convenience of the user. MIC3 is not responsible or liable for the content of any external page which is referenced or linked by MIC3's website. The user assumes all risk of injury. Such external websites contain information created, published, maintained, or otherwise posted by institutions or organizations independent of MIC3. Links from the MIC3 website to external sites do not constitute endorsement, approval, certification or control of these external websites by MIC3 and do not guarantee the accuracy, completeness, efficacy, or timeliness of information located at such websites. Therefore, MIC3 does not assume any liability for the currency, accuracy, or availability of any information on external websites. Use of any information obtained from external websites is voluntary, and reliance on such information should only be undertaken after an independent review by qualified experts. Any concerns regarding any external link should be directed to its site administrator or webmaster. Upon following one of these links, the policies of that external site take effect until user returns to MIC3's site.

Disclaimer of Duty to Continue to Provide Data

Because of the dynamic nature of the Internet, free and publicly available resources such as MIC3's website may one day require a fee or have access restricted. Additionally, the periodic reorganization of menus, homepages, and files may change the location of items and information on this website. Any, and all use of the MIC3 website is at the sole risk of user. MIC3 makes no warranty that the service will be error free or uninterrupted. The information, documents, software, products, services, and related graphics published on this site may contain typographical errors or technical inaccuracies. MIC3 may make changes to this information at any time.
