### THE MIC3 CELEBRATES APRIL AS THE MONTH OF THE MILITARY CHILD

The Military Interstate Children's Compact Commission (MIC3) will **"Purple Up! For Military Kids"** on April 25, 2018. The latest available data shows that of the 1.3M active duty members 34,478 are dual military with children, 58,989 are active duty single parents and 441,090 are active duty married to a civilian spouse.

Established by former U.S. Secretary of Defense, Caspar Weinberger in 1986, the designation of April as the Month of the Military Child acknowledges the significant role military youth play in our communities. In 2011, the University of New Hampshire Cooperative Extension Military Youth and Family Program started the **"Purple Up! for Military Kids"** as a visible way to show thank military youth for their strength and sacrifice. Why purple? Purple is the color that symbolizes all branches of the military, as it is a combination of Army green, Marine red, and Coast Guard, Air Force, and Navy blue.

*"By wearing purple on April 25<sup>th</sup>, we recognize the service of our youngest heroes – military children," said Rosemarie Kraeger, MIC3 Chairwoman and Rhode Island Commissioner, she added, "The Commission and our member states are committed to supporting successful educational transitions and doing the right thing for kids.*

Developed by the Council of State Governments' *National Center for Interstate Compacts*, the U.S. Department of Defense, national associations, federal and state officials, state departments of education, school administrators and military families, the MIC3 is a governmental entity operating under the *Interstate Compact on Educational Opportunity for Military Children*. With fifty member states and the District of Columbia, the Compact ensures the uniform treatment of military children transferring between states and public school districts.
