Compact-related Actions : 1.Through collaboration between the State Commissioner and the Chair of Wilmington University’s Master’s in School Counseling Program, the online Compact 101 course has been added to the Counselor as Consultant course requirements. This ensures that all pre-service school counselors will have completed the course prior to graduating and entering the workforce. This requirement began full implementation in the Spring 2025 semester.
2.On Thursday, March 18, 2025, the 153rd General Assembly passed SCR 20 encouraging Delaware’s Governor to turn Delaware purple for the month of April in support of Delaware’s military-connected students. The Indian River Inlet Bridge was purple from April 7-11th and Legislative Hall was purple from April 14-17th. See the resolution here: <https://legis.delaware.gov/BillDetail/141923>
3.On April 15, 2025, Governor Meyer signed a proclamation declaring April as the Month of the Military Child in Delaware. Representatives from the Delaware’s Air Force and National Guard were joined by school personnel, students, and families from the Purple Star Schools, and others to participate in this event. After the signing, selected students were also given time to speak on the House and Senate floors.
