Distribution of Compact-related Information:	1. April 30, 2025 2. Charter Admin, Building Principals, School District Superintendents 3. Email 4. Military-connected students are required to be recognized and coded as a distinct subgroup in school demographic systems. Military-connected students are those with a parent who is a member of the Armed Forces on active duty or who serves part-time or full-time in the National Guard or Reserve Force of the United States military.
State-level Briefs, Communications, and Presentations:	Purple Star Recognitions
State-level Briefs, Communications, and Presentations Copy:	None
Additional comments:	1 - Expanding the number of Purple Star Schools in Idaho directly benefits this unique student population by providing targeted support 2 - In Idaho, the proper identification of military-connected students is a key initiative aimed at supporting the unique educational needs of children from military families.
