

MIC3 MEMBER PROFILE

MARYLAND

OVERVIEW

The Interstate Compact on Educational Opportunity for Military Children was developed jointly by The Council of State Governments' National Center for Interstate Compacts and the U.S. Department of Defense, with input from policy experts, national associations, teachers, school administrators, military families, and federal, state, and local officials. The Compact eases interstate education transition challenges encountered by the children of active duty service members such as enrollment, eligibility, placement and graduation. On average, military students will attend six to nine different school systems from kindergarten to 12th grade.

Initial discussions about the Compact began in 2006, and drafting began early in 2007. First available for legislative consideration in 2008, the Compact was adopted by all 50 states and the District of Columbia in just 6 legislative sessions.

HISTORY

Maryland adopted the Compact in May 2009. The model language was adopted with modifications for the Maryland Code. The dues are paid by the Maryland State Department of Education.

Bill sponsor(s): Delegate Ann Kaiser and Senator John C. Astle

Governor Signed: May 19, 2009, 21st State to join the Compact

Location in Statute or Code: Maryland Code, Article – Education - Section 7–1301 through 7–1303

COMMISSIONER	Mary Gable	2009 – Present
---------------------	------------	----------------

APPOINTING AUTHORITY: Governor

STATE COUNCIL

ARTICLE VIII

State Coordination

A. Each member state shall, through the creation of a state council or use of an existing body or board, provide for the coordination among its agencies of government, local education agencies, and military installations concerning the state's participation in and compliance with this Compact and Interstate Commission activities. While each member state may determine the membership of its own state council, its membership must include at least the State Superintendent of Schools, a superintendent of a school district with a high concentration of military children, a representative from a military installation, one representative each from the legislative and executive branches of government, and representatives of other offices and stakeholder groups the state council deems appropriate. A member state that does not have a school district deemed to contain a high concentration of military children may appoint a superintendent from another school district to represent local education agencies on the state council.

B. 1. The state council of each member state shall appoint or designate a military family education liaison to assist military families and the state in facilitating the implementation of this Compact.

2. In Maryland, the military family education liaison shall be located in the Maryland State Department of Education.

C. The Compact commissioner responsible for the administration and management of the state's participation in the Compact shall be appointed by the Governor in consultation with the State Superintendent of Schools.

D. The Compact commissioner and the military family education liaison designated herein shall be ex officio members of the state council, unless either is already a full voting member of the state council.
