Past Year Highlights

- Our schools celebrated the month of the military child in April 2021 by holding special events, recognitions for military children and families.
- We conducted training on the Compact for school districts and regional education personnel on the rules and regulations.
- Our school liaison officers engage and work with schools to resolve cases and issues as they arise. They also assist with the transition of military students in and out of our installation areas.

Respectfully Submitted By,
Greg Lynch
MIC3 Washington State Commissioner
