

North Dakota Military Interstate Children's Compact Commission (MIC3)

Tuesday, 22 Dec 2022 | 1100 - 1200 | Microsoft Teams

Attendance					
\boxtimes	Kirsten Baesler (State Supt)		Gen Jackie Huber (NDNG)	\boxtimes	Rep. Karen Karls
\boxtimes	Mark Vollmer (Minot Supt)	\boxtimes	Maj. Jay Sheldon (NDNG)	\boxtimes	Davina French
	Terry Brenner (Grand Forks Supt)	\boxtimes	Col Gregory Mayer (5 th MSG, Minot)		Jen Anderson (DPI Comms)
		\boxtimes	Joy Smith (Minot SLO)	\boxtimes	Steve Snow
		\boxtimes	Col David Castor (319 MSG, GF)		
		\boxtimes	Lexi Holsey (Grand Forks SLO)		
		\boxtimes	CMSgt Erick Lizarrago (319 MSG, GF)		
Approval of Minutes					
Old Business					

New Business

Legislative Update (Kirsten/Steve)

- Proposed Bill Draft would remove restrictions in ND Century Code that prevent public-school districts from allowing students to attend virtually if impacted by a military move. The idea is to let schools (not the military move dates) dictate a good transition time for students. The bill allows NDDPI to reimburse school districts for these military connected students while they are attending virtually as though they were in-person
- Discussion of how this would impact elementary vs secondary students and eligibility in extracurricular activities; this can be decided by the district school board if they decide to allow virtual attendance by military connected students

Purple Star Program (Steve)

- Three applications so far (Steve will organize an approval sub-committee to review application)
- SLOs have done a great job marketing the program to the schools they support
- We need to include focus on National Guard connected students (not just Active Duty connected students)

Month of Military Child vs. Purple Star program

- Month of Military Child is statewide program / Purple Star Program is a local (school based) program
- Discussed ways to get AF Base representation at Governor's Month of Military Child declaration (usually at state capital)
- Grand Forks School District could transport students from their location to the capital (if needed)

National MIC3 information (Davina)

- The National MIC3 wants to add fees for military connected students of National Guard members; the National MIC3 believe the current base SLOs would provide support to National Guard connected students
- There are some wording corrections needed in the national compact; they see the need for separate 'housekeeping' rules
- The Strategic Plan was discussed and the need to improve the use of technology and communications

Military SLO Update (Joy /Lexi)

Since the School Liaison Office (SLO) are on the 'front lines', we asked them what challenges the military-connected students and their families face

- MIC3 Designated Challenges or Trends
- (SEC.5.104) Placement Flexibility
- (SEC.5.103) Special Education Services for Pre-Kindergarten
- (SEC.3.101) Eligibility for Transfer and Enrollment
- Educational Challenges or Trends facing military connected students
 Military-connected secondary students moving into a location have trouble being put into the correct classes or satisfying graduation requirements
- Availability of Pre-Kindergarten or Preschool Programs
 There is a lack of PreK or PreSchool programs
 Supt Baesler (ND DPI) and Commissioner Chris Jones (ND HHS) meet routinely to discuss the issues
 The lack of quality early childhood programs also has an impact on the labor pool (qualified employees elect to pull out of the workforce in order take care of smaller children)
 The lack of early childhood programs also has a negative effect on the military base rankings
- Access to advanced coursework for Secondary Students
- Staff shortages impacting student services
- A great resource for students is the Bloom website. Bloom (bloommilitaryteens.org)

It is a blog site set up by secondary students to express their feelings and write about their experiences. It allows students to feel connected to others facing the unique stressors of being a military connected student

Other Business?

Next Meeting

Steve will send out Doodle poll for a meeting in the May/Jun timeframe
