

Will Jones  
Compact Commissioner  
MIC3 Oklahoma

Will Jones serves as the Oklahoma Commissioner for the Military Interstate Children's Compact Commission (MIC3), advocating for policies that support military-connected students as they transition between schools. Appointed in 2023 by Governor Kevin Stitt, Will is committed to ensuring educational stability and opportunity for children of military families across the state.

Currently, Will is the Superintendent of Dale Public Schools, where he has led efforts to improve educational outcomes, expand resources, and foster strong community engagement since 2022. Previously, he served as Superintendent of Garber Public Schools, overseeing significant facility improvements, instructional advancements, and student success initiatives. His leadership has extended beyond administration into coaching, where he has been recognized at the state level for his achievements in high school athletics.

Will's dedication to service is deeply personal—he is the son of a U.S. Marine who served as a combat veteran in Vietnam and was a Purple Heart recipient. His father's legacy instilled in him a deep respect for the sacrifices made by military families, shaping his passion for supporting students navigating school transitions due to military service.

With a background in educational leadership, athletics, and policy advocacy, Will remains focused on ensuring that military-connected students receive the educational support and consistency they deserve.
