

Tenneal Wetherell
Compact Commissioner
MIC3 Oregon

Tenneal Wetherell serves as the Chief of Staff at the Oregon Department of Education, bringing a wealth of experience and expertise to her role. Previously, she held the position of Assistant Superintendent of the Office of Enhancing Student Opportunities within ODE. With a career spanning over a decade as a Superintendent, coupled with roles as a special education and curriculum administrator, autism specialist, and special education teacher, Tenneal has consistently demonstrated her commitment to educational excellence and equity.

Tenneal holds a master's degree in special education and is nearing the completion of her EdD in Education Leadership, further enriching her understanding of educational systems and leadership principles. Residing in Eugene, Oregon, Tenneal shares her life with her husband and their two children, finding balance between her professional endeavors and cherished family moments.
