## Old Business

- Update on the October 1 Training- Lindsay (MIC3) and Joan Barret (MCEC, MO State Council) were at the meeting. 46 in attendance, 3 SLOs, all very positive. Strong survey results. 3 attendees from Missouri and 2 districts have requested slides from the event.
- November 29 Training- Waynesville R-VI School District training for mid-Missouri. Do we want to host events in other parts of the state? Knob Noster will look into hosting an event in their region.
- New Attendees- NKC, Platte County, Park Hill, also consider attendees to the Waynesville meeting. Reach out to North Platte and West Platte to gauge interest.
- MSHSAA- Reach out to Kerwin Urhan to join the state council.
- Blue Star Families- reconnect during their next national meeting.

## New Business

- Explained the two cases from this year. State handles these questions, should we send information or discuss with Brian Henry? Yes.
- Section 3-102- Kindergarten enrollment, information on the official documentation a parent must provide (e.g. must be a resident, etc.).
- Representative Lynch- Shared Compact Issue received prior to the meeting.
- Discussed the gifted selection criteria.
- Jarred and Brian discussed funding issues and the most recent visit to Washington DC.
- DoDEA Grants- Brian and Jarred shared recent grant awards and the plan for implementing programming with these grants in their school districts.
- Annual Business Meeting update. Presentation by the Midwestern compact and translation of military student transcripts.
- Shared videos recently produced by the National MIC3 Organization. These can be shared with the general public.
  - Information sharing is needed in Missouri and across the nation.
  - How can we get more of this information out to our installation?
    - Norris Johnson interested in this opportunity to serve on the commission
    - In-processing- getting family members to attend this process and getting more
    - Send information to Norris regarding the Compact and other information
