

Jessica Snyder
Compact Commissioner
MIC3 Texas

Jessica Snyder is the Senior Director of the Curriculum Standards and Student Support Division at the Texas Education Agency (TEA). She oversees several state curriculum-related programs, including the Texas State Board of Education's process for the review and revision of the state curriculum standards, the Texas Essential Knowledge and Skills.

Jessica began her service in education as a classroom teacher and has taught in schools in Virginia, Tennessee, and Texas. She holds a Master of Science in Social Work with a concentration in community administration and leadership from the University of Texas at Austin. She completed a Certificate in Nonprofit Studies from the RGK Center for Philanthropy and Community Service at the Lyndon B. Johnson School of Public Affairs and worked in public policy in early childhood education before joining TEA in 2010.
