I. Authority

The objective of this policy is to establish a proactive process for the public to request records from the Military Interstate Compact Children’s Commission (MIC3). This policy is intended to set guidelines for how to request records and establish a reasonable time frame for the Commission to return the requested records.

II. Applicability

The MIC3 is a quasi-governmental agency and is located in Lexington, Kentucky - and adheres to [KRS Chapter 61.870- 61.884](#). This policy applies to citizens, corporations, associations, public interest groups, private individuals, and universities who submit an Open Records request to MIC3.

III. Definitions

A. Public record - A public record is defined as the original or copy of any documentary material in any form, to include written materials, books, photographs, photocopies, films, microfilms, records, tapes, computerized records, maps, and drawings created or received by the Commission in connection with the transaction of public business.

B. Privacy - Performance data and personally identifiable student information data need to be kept safe, private, and follow federal and state standards and laws, including the Family Educational Rights and Privacy Act (FERPA), to maintain student data security and privacy. While the data used by the Commission is comprehensive, the data made available to the public may be redacted to avoid unintended disclosure of personally identifiable information in school or state level reports.

C. Exempt Records - The Commission may withhold public records containing information of a personal nature where the public disclosure thereof would constitute a clearly unwarranted invasion of personal privacy. This may include but is not limited to:

- Benefit Selections/Payroll Deductions

- DD-214s (military discharge forms)
- Financial Records
- Health Insurance Records
- Medical Records
- Commendations
- Driver's License Information
- Law Enforcement Records
- Personally Identifiable Student Records
- Employee Personnel Records

D. FERPA - (20 U.S.C. § 1232g; 34 CFR Part 99) is a [federal law](#) that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

E. Commercial Purpose - [KRS 61.870\(4\)](#) defines “commercial purpose” as “the direct or indirect use of any part of a public record or records, in any form, for sale, resale, solicitation, rent, or lease of a service, or any use by which the user expects a profit either through commission, salary, or fee.” However, “commercial purpose” does not include the publication or related use of the public record by a newspaper or periodical, by a radio or television station in its news or informational program, or by use in the prosecution or defense of litigation by the parties to such an action or their attorney.
