REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
Military Interstate Children's Compact Commission
Lexington, Kentucky

Opinion

We have audited the accompanying financial statements of the business-type activities of the Military Interstate Children's Compact Commission (the Compact) which comprise the statements of net position as of June 30, 2023 and 2022, and the statements of revenues, expenses, and changes in net position and cash flows for the years then ended, and related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Compact as of June 30, 2023 and 2022, and changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Compact and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Compact's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors
Military Interstate Children's Compact Commission
Lexington, Kentucky

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Compact's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Compact's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2023 AND 2022

Military Interstate Children's Compact Commission's (the Compact's) management team offers readers of the basic financial statements of the Compact the following narrative overview and analysis of the financial activities of the Compact for fiscal year 2023 with comparative data for fiscal years 2022 and 2021. The following should be read in conjunction with our basic financial statements and notes thereto.

Basic Financial Statements

The Compact's basic financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB). This is the same basis of accounting employed by most private sector enterprises. Revenues are recognized when earned and expenses are recognized when incurred. See the notes to the basic financial statements for a summary of the Compact's significant accounting policies.

Our basic financial statements include the following components:

Statements of net position present information on the assets and liabilities of the Compact, with the resulting difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Compact is improving or deteriorating.

Statements of revenues, expenses, and changes in net position report revenues and expenses, classified as operating, for the period. The resulting change in net position for the period combined with the beginning of the year total net position balance reconciles to the end of the year total net position, per the statements of net position.

Statements of cash flows report the cash flows experienced by the Compact from operating and investing activities. The net result of the cash provided by or used in these activities for the period, added to the beginning of the year balance reconciles to the total cash and cash equivalents, as presented on the statements of net position.

Notes to the financial statements provide additional information on the data presented in the basic financial statements as of and for the years ended June 30, 2023 and 2022.

COMPACT ACTIVITIES

The Compact provides for the uniform treatment of military children transferring between school districts and states. It was developed by The Council of State Governments' National Center for Interstate Compacts, the Department of Defense, national associations, federal and state officials, departments of education, school administrators and military families. Each state must adopt the Compact through their legislative process. Participation is voluntary. Each state appoints representation to a governing commission responsible for enacting rules to implement the Compact. Each participating state also creates a state council based on the requirements of their state legislation.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2023 AND 2022

All 50 states and the District of Columbia adopted the Compact. Member states have formed their State Councils and inform school districts and stakeholders of the terms of the Compact. The Commission convenes Annual Business Meetings in various locations throughout the United States.

FINANCIAL HIGHLIGHTS

The following major financial highlights are of note for the year ended June 30, 2023 (amounts rounded):

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2023 AND 2022

NET POSITION SUMMARY

Net position was approximately \$1,846,000 at June 30, 2023, \$1,745,000 at June 30, 2022 and \$1,746,000 at June 30, 2021. The increase in net position for fiscal year 2023 was due to increased investment income from rising interest rates and unrealized gains on investments. The decrease in net position for fiscal year 2022 was due to unrealized losses on investments.

A condensed summary of the major components of the net position as of June 30, 2023, 2022, and 2021 is as follows (amounts rounded):

	<u>2023</u>	<u>2022</u>	<u>2021</u>	<u>FY 2023</u>		<u>FY 2022</u>	
				<u>\$ change</u>	<u>% change</u>	<u>\$ change</u>	<u>% change</u>
Current assets	\$ <u>1,425,000</u>	\$ <u>1,389,000</u>	\$ <u>1,333,000</u>	\$ <u>36,000</u>	2.59%	\$ <u>56,000</u>	4.20%

Current assets increased in fiscal year 2023 due to an excess of revenues over expenses, net of noncash items. Current assets increased in fiscal year 2022 due to an excess of revenues over expenses, net of unrealized losses.

CHANGES IN NET POSITION

A condensed summary and discussion of changes in net position, revenues, and expenses for fiscal years 2023, 2022, and 2021 is as follows (amounts rounded):

Fiscal Year 2023

Appropriations revenue was stable year-over-year.

Investment income reflects market recoveries during the fiscal year.

Other revenues reflect conference registrations during the year.

Fiscal Year 2022

Appropriations revenue was stable year-over-year.

Investment income reflects market decline from multiple factors of current economic climate. The Compact's equity investments declined approximately 14% which is consistent with the S&P 500 over the same time period. The fixed income fund declined approximately 6% which is attributable to rising interest rates in 2022. The prime rate increased from 3.25% at June 30, 2021 to 4.75% at June 30, 2022. This reduces the market value of debt securities currently held as the differential in comparative rates progressively favors the market.

Other revenues decreased due to the nonrecurring transaction involving the Paycheck Protection Program loan in fiscal year 2021.

Fiscal Year 2023

Management fees increased due to increases in payrates and benefits.

Travel and meetings increased due to in person annual business meeting, increased training, and inflation for travel related costs.

Consulting expense increased in fiscal year 2023 due to continued strategic plan work and state compact issues.

Professional services decreased due to nonrecurring expenses for legal research in 2022.

Other costs increased due to printing for brochures, training materials booklets, and compact rules booklets for in-person meetings as well as office related expenses.

Fiscal Year 2022

Management fees were consistent year-over-year.

Travel and meetings increased due to reduction of social distancing restrictions from the COVID-19 pandemic. The annual meeting for fiscal year 2022 was held in Little Rock, Arkansas in a hybrid (both in-person and virtually) format while the annual meeting for 2021 was held virtually.

Consulting expense increased in fiscal year 2022 due to an operations audit and strategic plan update.

Professional services increased due to legal research for various states and general interstate compact research.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

1. SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

The Military Interstate Children's Compact Commission (the Compact) was formed in 2009. The goal of the Compact is to replace the widely varying policies affecting transitioning military students. The Compact leverages consistency and uses a comprehensive approach that provides a consistent policy in every school district and in every state that chooses to join. The primary source of revenue is derived from state member dues.

The Compact addresses key educational transition issues encountered by military families including enrollment, placement, attendance, eligibility and graduation. The Compact seeks to make transition easier so that children of military families are not penalized or delayed in achieving their educational goals.

Children of active-duty members of the uniformed services, National Guard and Reserve on active duty orders, and members or veterans who are medically discharged or retired for one year are eligible for assistance.

Basis of Accounting and Accounting Presentation

This summary of significant accounting policies is presented to assist in understanding the Compact's financial statements. The financial statements and accompanying notes are representations of the Compact's management who is responsible for their integrity and objectivity.

The Compact's operations are presented as a single enterprise fund. Enterprise funds distinguish operating revenues and expenses from non-operating items in accordance with the flow of economic resources measurement focus and the accrual basis of accounting. All assets, liabilities, net position, revenues, and expenses are accounted for through a single enterprise fund with revenues recorded when earned and expenses recorded at the time the corresponding liabilities are incurred.

Revenues from appropriations are reported as operating revenues. Purchases of services, materials and supplies, and other miscellaneous expenses are reported as operating expenses.

Pursuant to Governmental Accounting Standards Board (GASB) Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 Financial Accounting Standards Board (FASB) and American Institute of Certified Public Accountants (AICPA) Pronouncements*, the Compact follows GASB guidance as applicable to enterprise funds.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Receivables

Receivables are reported at their gross value when earned and are reduced by the estimated portion that is expected to be uncollectable. The allowance for uncollectible amounts is based on collection history and information regarding the credit worthiness of those doing business with the Compact. There were no material amounts considered uncollectible at June 30, 2023 and 2022.

Operating Revenues and Expenses

Operating revenues consist of appropriations and other revenues. Operating expenses include management fees, consultants, travel and meeting expense, occupancy and other expenses.

Appropriations

The Compact may levy on and collect an annual assessment from each member state to cover the Compact's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Compact, which shall promulgate a rule binding upon all member states.

Revenue for membership dues is recognized as earned throughout the term of membership. Dues that are paid in advance are included as deferred revenue.

Net Position

Net position represents the difference between assets and liabilities. Net position is reported as restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, laws or regulations of other governments. The Compact applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted resources are available.

Use of Estimates

Management of the Compact has made a number of estimates and assumptions relating to the reporting of assets, liabilities, revenues, expenses, and the disclosure of contingent assets and liabilities, to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Subsequent Events

The Compact evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through December 20, 2023, which is the date the financial statements were available to be issued.

2. INVESTMENTS

The Compact presently does not have an investment policy to address interest rate risk, custodial credit risk, or concentration of credit risk.

The Compact follows GASB Statement No. 72, *Fair Value Measurement and Application*, with respect to financial assets and liabilities. GASB 72 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GASB 72 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Following is a brief description of those three levels.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Compact has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The methods and assumptions used to estimate the fair value of assets and liabilities in the financial statements, including a description of the methodologies used for the classifications within the fair value hierarchy, are as follows.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Compact are open-end mutual funds that are registered with the Securities and Exchange Commission and are actively traded.

MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

Below is a detail of amounts included in deposits and investments as of June 30, 2023 and 2022. Amounts rounded and all amounts are Level 1.

<u>Description</u>	<u>2023</u>	<u>2022</u>
Large-blend equity mutual fund	\$ 347,000	\$ 292,000
Short-term bond fund	201,000	198,000
	<u>\$ 548,000</u>	<u>\$ 490,000</u>

The average duration of the short-term bond fund (the Bond Fund) is 2.6 years. The average maturity is 3.0 years and the yield to maturity is 6.15%. The Bond Fund has a Morningstar rating of four stars and is comprised of cash (.8%), and bonds (99.2%). The bonds are comprised of securities with ratings of AAA (11.90%), AA (2.1%), A (35.2%), BBB (48.8%) and other (2.0%).

3. AFFILIATE

The Compact is affiliated with The Council of State Governments (CSG). CSG provides the Compact with management and accounting services. Under the Memorandum of Understanding (the Memorandum) between CSG and the Compact, CSG will pay monthly interest on the balance due to affiliate of .75% less than the average return earned by CSG on its short-term investment account. Interest income for fiscal years 2023 and 2022 was approximately \$45,400 and \$3,700, respectively.
