Purpose

The purpose of the Interstate Compact on Educational Opportunity for Military Children (S.C. Code Ann. § 59-46-40) is to remove barriers to educational success imposed on children of military families because of frequent moves and deployment of their parents by:

- A. Facilitating the timely enrollment of children of military families and ensuring that they are not placed at a disadvantage due to difficulty in the transfer of education records from the previous school districts or variations in entrance/age requirements.
- B. Facilitating the student placement process through which children of military families are not disadvantaged by variations in attendance requirements, scheduling, sequencing, grading, course content, or assessment.
- C. Facilitating the qualification and eligibility for enrollment, educational programs, and participation in extracurricular academic, athletic, and social activities. D. Facilitating the on-time graduation of children of military families.
- E. Providing for the promulgation and enforcement of administrative rules implementing the provisions of this compact.
- F. Providing for the uniform collection and sharing of information between and among member states, schools, and military families under this compact.
- G. Promoting coordination between this compact and other compacts affecting military children.
- H. Promoting flexibility and cooperation between the educational system, parents, and the student in order to achieve educational success for the student.

SC MIC3 Council Summary

- South Carolina State Council Meetings was held May 25, 2023. This was our first in-person meeting since COVID.
- The purpose was to inform council members of possible courses of actions for input/vote by the commissioner, and bring awareness to members, as well as discuss the council's desire to pursue adding NGR support to the SC state compact without violating language changes to the compact. SC council will use Arkansas as a sample moving forward, along with other states who have completed this process.
- During the May 25, 2023 meeting, Dr. Priester provided updates to the council members from the MIC3 Annual Business meeting held in November 2022 in Baton Rouge. Dr. Priester also provided an update on the social, emotional, and academic supports being provided to military families in collaboration with district military liaisons. Dr. Priester announced that currently SC has 11 Purple Star designated districts. It is understood that Purple Star is not an entity of MIC3 on the national level, SC utilizes the training of the compact as a requirement for becoming a Purple Star designated district in SC.
- The South Carolina Department of Education sponsored the *2023 Military Honor Cord Ceremony* for high school seniors who had enlisted into the uniformed services. The ceremony was held in-person on May 17, 2023 at the Columbia Metropolitan Convention Center. Students were provided red, white, and blue military cords to wear during their respective high school graduation ceremonies.
- On April 5, 2023, Governor Henry McMaster proclaimed April as South Carolina's Month of the Military Child. After the proclamation, Dr. Kim Priester identified a total of 11 Purple Star districts in South Carolina: Charleston County School District, Berkeley County School District, Beaufort County School District, Richland County School District One, Edgefield County School District, Richland County School District 2, Anderson 1 School District, Sumter County School District, Aiken County Public School District, and Kershaw County School District, and Dorchester 2.
- Dr. Priester was honored to be awarded the military proclamation for SC on April 5, 2023 from Gov. McMaster.
- Dr. Priester then provided an overview and 2023 updates of Veterans Affairs Education Benefits for veteran survivors and informed the Council that the SC Commission on Higher Education was notified about requests for assistance from students from military families who were planning to attend college. To assist families further, the Council agreed that a presentation related to educational benefits and resources available for students from military families should be developed in collaboration with the Veterans Affairs Education Department.
- Various council members, district military liaisons, military school officers, military families and students, and other individuals participated in Month of the Military Child and Purple UP Day celebrations. Each district designated a day for Purple UP Day, during which several appreciation activities were held for students and families.

- Dr. Priester is the state contact for districts seeking information and training on how to achieve the Purple Star designation.
- Dr. Priester, in collaboration with the base installation student liaison officers and district military liaisons, and MIC3 national team will be planning fall and spring trainings for 101 and 201 sessions on installations for soldiers and military families.
- SC council will be working to create a state MIC3 brochure for use along with the information the national MIC3 office provides.

Areas of Focus for the State Council

- Increase awareness of SC's newly passed and signed bill H3797 Military Temporary Enrollment <https://scdva.sc.gov/news/2023-06/military-families-now-benefitting-remote-school-enrollment-law-signed-governor>
- Provide on-going training on the compact rules for the Interstate Compact on Educational Opportunity for Military Children in collaboration with district military liaisons/school officers. The purpose of the continuous training is to ensure that policies related to transitioning military students in the state's public school system are clearly understood and implemented effectively in all school districts statewide.
- Raise awareness of the Month of the Military Child proclamation and Purple Up Day in districts and schools statewide.
- Raise awareness of the South Carolina Department of Education's Purple Star program, which provides information and resources to districts to assist them in helping students from military families have a seamless transition into the state's public education system.
- Continue to increase the designation of Purple Star programs in district statewide for the purpose of increasing and highlighting military connectedness and support for military student and families in South Carolina.
