Welcome to School Liaisons

1. Courses completed in 8th grade for high school level credit
  - a. Yes for some
    - i. Recognized, but not credited for graduation
  - b. GPA for HS granted for MS students who participate
    - i. Yes for some, no for others.
    - ii. Only one person had a MIC3 issue related to HS credit for MS
      1. In one case, had to review course requirements.
    - iii. Any need for policy related to this
      1. No - that is what Commissioners are for. Reviewing and resolving issues.
      2. Commissioners are working as needed to address questions.
2. Transition between semester/trimesters
  - a. Same as above, SLOs & Commissioners review and resolve the issues.
    - i. Comment that this happens more frequently with other types of students (e.g., homeless students)
3. Has anyone used MIC3 language with other student groups?
  - a. Highly mobile students - treat all with respect/dignity and support the students to get them in.
4. Top 3 issues
  - a. School Choice
  - b. Housing (affordable and available) (HUGE CHALLENGE)
    - i. Families having to move further away from bases/schools due to lack of housing.
      1. Some places are already overbuilt and no space available
    - ii. Families may have to move to an area with more limited services/opportunities.
    - iii. May have to move to temporary housing (different school district)
  - c. Childcare
    - i. Not available/affordable
  - d. Food Insecurity
  - e. Immunization Requirements
  - f. Services for Special Need Students
    - i. Staffing is an issue

Note: Anchor for Life Programs (example) has a kit for kids - can support any family from any branch. Reach out to your SLO. All services have programs - servicing all families.
