The Military Interstate Children's Compact Commission is pleased to announce the official launch of a new online training portal website.

MIC3Training.net is a groundbreaking platform that offers unparalleled access to the Commission's training videos and resources. Designed to cater to the needs of individuals seeking comprehensive knowledge about the Compact, this portal serves as a hub for those interested in understanding how the Commission supports military-connected students in achieving successful educational transitions.

By providing an array of educational materials and insightful videos, MIC3Training.net empowers users to delve into the intricacies of the Compact and its far-reaching impact on students' lives. Whether you are a Compact Commissioner, an educator, a parent, or simply someone passionate about fostering successful educational journeys for military-connected students, this innovative training portal is your gateway to a wealth of invaluable information.

Explore MIC3Training.net today and embark on a transformative learning experience that will undoubtedly deepen your understanding of the Commission's vital role in shaping brighter futures for our military youth.
