Welcome to the Commission!

Dr. Deborah Frison
Nebraska Commissioner

Dr. Frison was appointed as the Nebraska MIC3 Compact Commissioner on October 1, 2025.

Dr. Frison started with the Nebraska Department of Education in 2015 as Deputy Commissioner of Education for School Improvement and Support. Presently she serves as Deputy Commissioner of Agency Support and Services. She is a veteran Nebraska educator with 38 years of teaching and administrative experience within the Omaha Public Schools (OPS).

2025 Annual Report Now Available

The Military Interstate Children's Compact Commission is proud to release its 2025 Annual Report, showcasing the collaboration, commitment, and achievements that defined the Commission's work this past year. This report highlights the Commission's ongoing mission to support education transitions between states for military-connected children.

Readers will find:

Reports & Resources: The Commission's collective work in the areas of internal governance and outreach

Data & Trends: Comprehensive statistics on cases, providing insight into areas where the Compact was or was not applicable

Financial Updates: Updates on the Commission's financial standing and management of resources

Beyond the numbers and updates, the 2025 Annual Report reflects the dedication of the member states and ex-officio partners, whose commitment ensures the Compact continues to meet the educational needs of military-connected students in the US and around the world. We invite you to explore the full report and join us in celebrating the work completed in 2025.

The Commission continues to strive to educate the military community and raise awareness about the Compact. To this end, the Commission encourages you to distribute the [2025 Annual Report](#) to stakeholders.

Did you know?

Did you know anyone can attend the Commission's monthly virtual Compact 101 Training sessions?

The Compact 101 Training is recommended for school and state-level education administrators, military families, and organizations supporting military families. To sign up for a virtual Compact 101 Training, access the Events Calendar [here](#).

Additionally, MIC3Training.net offers access to the Commission's training and resources. This portal serves as a hub for those interested in understanding how the Compact supports military-connected students in achieving *successful educational transitions*.

More information about Compact Training can be found [here](#)!

Did you know that under *Compact Rules SEC 3.102*, states shall give families thirty calendar days from the date of enrollment to provide documented evidence of immunizations against communicable diseases?

Compact Rule, SEC. 3.102 Application for Transfer of Student Records and Enrollment

An application for transfer of educational records of students subject to this compact shall contain the following:

(a) Immunizations – Compacting States shall give thirty (30) calendar days from the date of enrollment. For a series of immunizations, initial vaccinations must be obtained within thirty (30) calendar days.
