

Trevin Stevens
Communications Associate

Trevin Stevens has been the MIC3 Communications Associate since September 2025. In this role, Trevin manages all communications from the MIC3 National Office including newsletters, social media, webinars, and other outreach resources. Prior to joining MIC3, Trevin worked in the Virginia Governor's Office as a Special Assistant to the Secretary of the Commonwealth.

Trevin graduated from the University of Richmond in 2024, where he studied leadership studies, political science, and history. In November 2025, he earned a Master of Public Policy from the University of Oxford. The son of a public-school teacher, Trevin is deeply committed to supporting the educational transitions of military-connected children and their families.
