

Brandon Woodrome
Compact Commissioner
MIC3 Illinois

Brandon Woodrome, Ed.S., serves as the Assistant Superintendent of Administrative Services for the Mascoutah School District in Illinois, a role he has held since 2022. The proud son of an Air Force veteran, Mr. Woodrome brings over 25 years of educational experience to his work, with a deep commitment to supporting military-connected students and families from nearby Scott Air Force Base.

Mr. Woodrome began his career in education as a dedicated teacher of U.S. History, Civics, and Government in both parochial and public school settings. He joined the administrative team at Mascoutah School District in 2014, where he gained extensive leadership experience as both Assistant Principal and Principal of Mascoutah High School before stepping into his current district-wide leadership role.

An active member of the educational community, Mr. Woodrome belongs to the Illinois Association of School Administrators (IASA) and the Illinois Association of School Personnel Administrators (IASPA). Given that over half of Mascoutah's student body consists of military and federal dependents, he actively collaborates with the Military Impacted Schools Association (MISA) and serves military families through the Military Interstate Children's Compact Commission (MIC3).

Mr. Woodrome and his wife are the proud parents of 5 children ranging in age from 21 to 10. He holds a Bachelor of Science in Education from Southern Illinois University Edwardsville, a Master of Arts in Education Leadership from McKendree University, and an Educational Specialist (Ed.S.) degree in Education Administration from Lindenwood University.
