

Chad Delbridge
Compact Commissioner
MIC3 Wyoming

Chair Delbridge has served as the MIC3 Wyoming Commissioner since 2018 and has chaired the Compliance Committee since 2021. Chair Delbridge also serves as the Principal of Freedom Elementary School in Cheyenne, WY.

What is one thing you wish that schools and uniform-connected families better understood about the Compact?

The compact is in place to level the playing field for military dependents, not to give them special privileges.

What is one Compact-related initiative, partnership, or collaboration in your state that you are particularly proud of?

One thing I am truly proud of regarding the Compact is our State Council's engagement in raising awareness and finding effective ways to communicate the purpose and benefits of MIC3 throughout our state. Examples of these efforts include the Purple Cord Ceremony in Cheyenne, which recognizes graduating seniors from military families; celebrations across Laramie County School District #1 and Platte County School District #1 during the Month of the Military Child; and the growing number of Purple Star Schools in the Cheyenne area.

Have you or a member of your family served in the military? If yes, please share who, what branch of service, and the length of service.

Several of my uncles and cousins served in the military, and both my brother-in-law and nephew served in the Air Force.
